IN this strenuous age of reconstruction, while Gods creative compounds are forming a new race in the morning of a new age, all who desire physical regeneration should strive by every means within their reach to build new tissue, nerve fluids and brain cells, thus literally making new bottles for the new wine. For be it known to all men that the word wine as used in Scripture, means blood when used in connection with man. It also means the sap of trees and juice of vegetables or fruit. The parable of turning water into wine at the marriage at Cana in Galilee is a literal statement of a process taking place every heart beat in the human organism. Galilee means a circle of water or fluid--the circulatory system. Cana means a dividing place--the lungs. In the Greek, A place of reeds, or cells of lungs that vibrate sound. Biochemists have shown that food does not form blood, but simply furnishes the mineral base by setting free the inorganic or cell-salts contained in all food stuff. The organic part, oil, fibrin, albumen, etc. , contained in food is burned or digested in the stomach and intestinal tract to furnish motive power to operate the human machine and draw air into the lungs, thence into the arteries, i. e. , the air carriers. Therefore, it is clearly proven that air (spirit) unites with the minerals and forms blood, proving that the oil, albumen, etc. ,...
