

## Astrology for Layman

By Dr T.M. Rao

V & S Publishers, New Delhi, India. Softcover. Book Condition: New. Astrology today is universally recognised to be a `science`, based on sound mathematical principles and calculations. But while it is easy to agree with this promise, It is difficult to find a well-researched comprehensible book to guide the general reader. Answering this need, `Astrology for Layman` is designed to bring home to the reader the fundamentals of the discipline along with the predictive aspect. One who reads this book will not only be able to make fairly correct predictions, but also will be encouraged to take to the study of more advanced works But while it is easy to agree to this premise, it is difficult to find a well-researched comprehensive book to guide the general reader.
