This award-winning book ( Foreword Magazine s Self-Help Book of the Year) offers our most detailed lessons of Sun Tzu s strategic methods. The book was designed as long series of short, easy-to-understand lessons for those who really want to understand the inner workings of human competition. Examples from modern business and every day life are used to illustrate what people do right and wrong in making strategic decisions.Each lesson is put into a format that frames each stanza of Sun Tzu s work as a specific strategic concept.
