Not illustrated. 1904 Excerpt: .13,546, of whom 6386 were women. The greatest number of days in actual session was 309, the least, 192. The greatest number of evening sessions was 252, the least, 69. Three schools did not hold evening sessions. Comparison of the above statistics with those for 1902 indicates a steady and healthy growth of the private business schools. There has been during the year an increase in business school equipment of \$27,546.38, and in the total of business school property of \$130,867.38. There was an increase of 47 in the number of regular teachers and an increase of 2792 in the number of commercial students. Better still, the horizon of the private school is enlarging. Commercial geography and history of commerce were taught during the year by more than half of the registered schools, and more earnest attention was given to English. Credentials. The University offers the...
