### ***Reviews***

*It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).*

Oxford University Press, United Kingdom, 2014. Sheet music. Book Condition: New. 251 x 178 mm. Language: N/A. Brand New Book. for SSAA and piano Here in my Heart is an uplifting and optimistic setting of an original text by the composer that explores the power of the natural world to fill the heart with song. The evocative melody perfectly complements the theme of the text and uses duplets and syncopated rhythms to create a lilting sense of ebb and flow. The rippling piano part and increasingly rich textures build to bring the piece to an emotive close.
