Running for Their Lives: The Extraordinary Story of Britain's Greatest Ever Distance Runners

By Mark Whitaker

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Running for Their Lives: The Extraordinary Story of Britain's Greatest Ever Distance Runners, Mark Whitaker, In 1928 two extraordinary Englishmen competed in an unprecedented event - a transcontinental road race across America that required them to run an average of 40 miles for 80 consecutive days. Despite being separated by class, education and age, Peter Gavuzzi and Arthur Newton became close friends and formed a successful business partnership as endurance athletes. They raced in 500-mile relays, in 24-hour events, in snowshoes and against horses; and they became the stars of a craze for endurance events that swept across depression-era North America and the most famous long-distance runners in the world. However, history has forgotten these two men, and in Running for Their Lives - in a story peopled with remarkable characters, unimaginable feats and tragic twists of fate - they only now receive the recognition they so richly deserve.

Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

-- *Elva Kemmer*

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
