Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Doonesbury is a comic strip by Garry Trudeau that chronicles the adventures and lives of an array of characters of various ages, professions, and backgrounds, from the President of the United States to the title character, Michael Doonesbury, now a middle-aged, remarried father. Frequently political in nature, Doonesbury features characters professing a range of affiliations, but the cartoon's editorial slant is noted for a liberal outlook. The name 'Doonesbury' is a combination of the word doone (prep school slang for 'someone who is out to lunch') and the surname of Charles Pillsbury, Trudeau's roommate at Yale University. 104 pp. Englisch.
