THANKS BE TO GOD: A MINISTER S MEMOIR (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author is a retired United Methodist minister and a former Department of Veterans Affairs Chief Chaplain. He writes about a series of people to whom he owes a debt of gratitude for the difference that they made in his life. When asked how he got to be a minister after working in laboratories for eighteen years, he responds, It s a long story but the short version of it is that I had a twenty-one year argument with God. Most people pause and then say, And God won. Yes, God won! The book describes how God worked through many people to equip him to face changes in denomination, career path and education. The book originates with a desire to thank the people who helped him to make the changes that God called him to make. This, in turn, began with a decision by the United Methodist Church conference where he holds membership to limit retiring pastors to no more than a three minute talk at their retirement ceremony. He decided that there were far too many people to thank to even begin to try in a three minute speech. This book is the result of his desire to thank those who helped him as he struggled to become the person God needed him to be at each stage in his life.
