BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Nick and Allie don't survive the car accident but their souls don't exactly get where they're supposed to go either. Instead, they're caught halfway between life and death, in a sort of limbo known as Everlost: a shadow of the living world, filled with all the things and places that no longer exist. It's a magical, yet dangerous place where bands of lost children run wild and anyone who stands in the same place too long sinks to the center of the Earth. When they find Mary, the self-proclaimed queen of lost kids, Nick feels like he's found a home, but Allie isn't satisfied spending eternity between worlds. Against all warnings, Allie begins learning the Criminal Art of haunting, and ventures into dangerous territory, where a monster called the McGill threatens all the souls of Everlost. In this imaginative novel, Neal Shusterman explores questions of life, death, and what just might lie in between.
